The Academy of Self Knowledge (ASK) and the Rasooli Community Centre extend a personal invitation to you in the hope that you will join us at the 11th Annual Conference to be held from March 5-7, 2010 in Centurion, Pretoria, South Africa.

Theme of the conference

“QUR’AN’S UNIVERSAL MESSAGE”

A Mercy for All the Worlds

It is in human nature to seek the origin of creation and the light that illumines all shadows. The quest for Allah is at the root of all human desires and actions. The prophets and messengers were the links between the all-pervading light of the unseen and human endeavours.

The Qur’an is the most complete and authentic revealed book that covers all creational patterns, known and unknown. In today’s so-called advance civilization, reference to the Qur’an can lead us to a more wholesome life on earth.

Programme

The Conference officially starts on Friday, March 5th, preceded by a *Dhikr* programme in the evening of Thursday, March 4th, after the *maghreb* prayer.

The Conference talks will include topics, such as “**The Transformative Power of the Qur’an**”, “**Ibn Arabi’s Qur’an**”, “**Discovery of the Qur’an in the West**”, and “**The Gnostic Qur’an**”, among other themes. Apart from Shaykh Fadhlalla Haeri and Shaykh Hosam Raouf, there will be several other accomplished speakers.

Details of the programme will be circulated shortly.

Should you have any suggestions or ideas with regard to the content and /or speakers, kindly direct these to: rischardc@gmail.com before the 7 November 2009.
